

Dear member of the great Canadel family,

Thank you for visiting our website. We understand that you have questions and concerns. During this extremely volatile and challenging time for all of us, due to COVID-19, Canadel wants to keep you updated on recent developments. It goes without saying that following the guidelines, issued by our government, is the most significant contribution we can make to counter the coronavirus pandemic.

Canadel is following the recommendations of the Quebec public health service and is taking measures such as temporarily closing until April 13th. Our top priority is the health and well-being of our team and their families.

We will, over the coming weeks, continue to create inspirational content to entertain you during those weeks at home. If you wish to discover our products, from the comfort of your home, we invite you to browse our website.

In closing, we wholeheartedly commend all those working in the healthcare field for their sacrifices and efforts, as well as their families for their support. It goes without saying that following the guidelines issued by our government is the greatest gesture of respect we can show them.

Let's take care of one another in order to maintain our health and security, and we will emerge from this stronger and more closely united.

A handwritten signature in black ink, appearing to be "Guy Deveault", is positioned above the printed name and title.
